

# MISSION 3: GREENWASHING DETECTOR

**Subsystem: Corporate Sustainability Database**

**Location: Corporate Business District**

**Public trust in Greenvale is falling.**

**Many companies claim to be sustainable.**

**Some claims are supported by evidence.**

**Others are misleading.**

**The database requires verification.**

## **Your task:**

**Use the Corporate Claim Cards.**

**Select the 4 claims supported by clear and verifiable evidence.**

**Arrange them from most measurable to least measurable.**

**Turn selected cards over.**

**Read left to right.**
